Signing Up

Register for a 14 day free trial, by clicking on the “Register” link at the top of the home page. The default permission is the “Standard” version as described on the “Pricing” page.

The screenshot shows the Bluewater Trader website. The top navigation bar includes links for Home, Platform, Pricing, Resources, Contact Us, Register, and Login. The 'Register' link is circled in red. Below the navigation bar, the main content area features a large blue banner with the text 'Built for traders who want an edge.' and two buttons: 'START FREE TRIAL' and 'WATCH PLATFORM DEMO'. To the right of the text is an image of two computer monitors displaying trading charts. Below the banner, there is a section titled 'PLATFORM & EDGE' with the heading 'Trade with clarity, speed, and confidence'. This section contains two columns of information. The left column, titled 'TRADING PLATFORM', lists features like 'Fast, reliable and easy to learn', 'Real-time order-flow analysis', and 'Automated order strategies', with a button 'EXPLORE PLATFORM AND FEATURES'. The right column, titled 'BECOME A BETTER TRADER', lists benefits like 'Discover the true drivers of futures markets', 'Trade time-tested market patterns', and 'See the market with clarity', with a button 'TRADING METHODOLOGY AND CHARTS'.

© 2026 Bluewater Trading Solutions

After successfully signing up on the registration page you will receive a “Bluewater Trader Registration Confirmation” email that contains a link to verify your Email and Activate the platform

This email will come from notify@bluewatertradingsolutions.com , if you don’t see it check your spam folders.

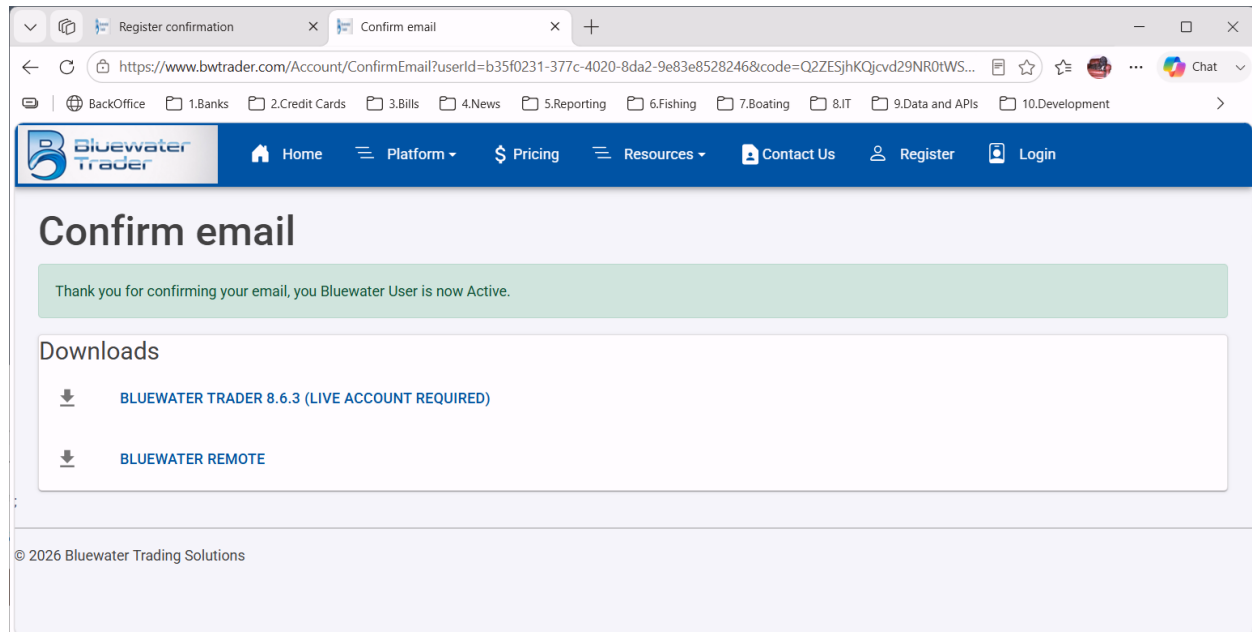

Click on the link and it will bring you back to the landing page below and your username is now Active.

Download and Install platform

After you have confirmed your email address and activated your username, click the software link to download and install the current version of the software.

The “Bluewater Remote” link is only needed should you need to call support and have someone help you using remote access.

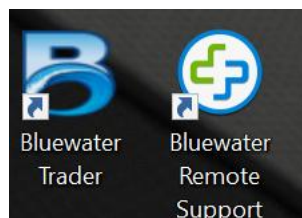

Please note that instead of a live account you will be using your demo credentials during the trial period.

There are also additional videos available on our “Resources” page.

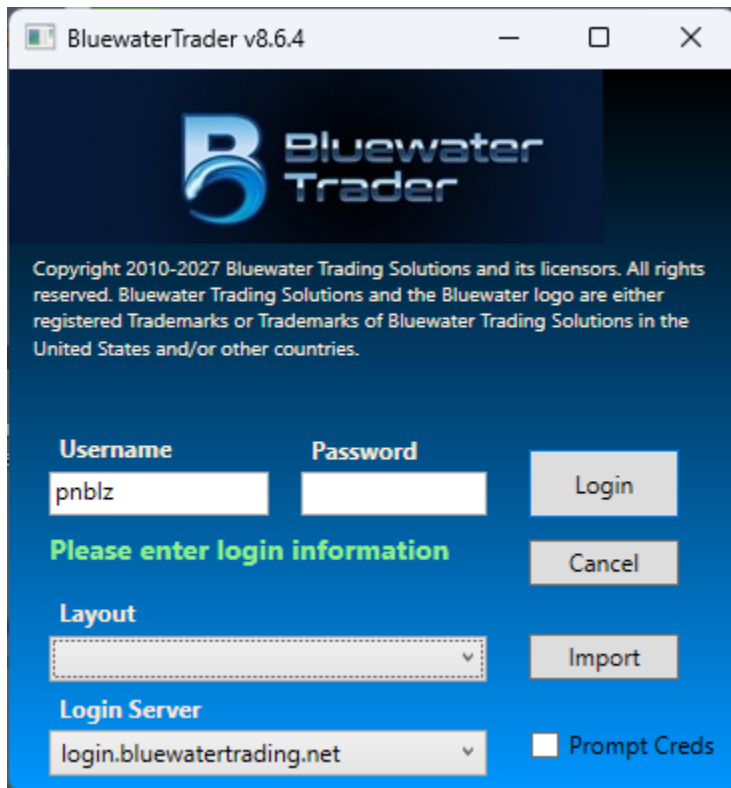

After you have installed the platform you should see two new icons on your desktop.

The “Bluewater Remote Support” is used to do remote support sessions to help troubleshoot customer problems.

NOTE: Live support is only available for paid subscriptions. Free platform users are limited support through email, support@bluewatertradingsolutions.com.

Start the platform by double clicking on the blue “B” and the login screen should appear.

Login Server: login.bluewatertrading.net Prompt Creds: ☐

Enter your Bluewater username and password and then click on the “Login” button. After successful login the “Credentials” screen will appear.

If you selected “CQGWeb” as your demo price feed you should also get a separate email directly from CQGTrader@cgg.com titled “Demo Login Credentials” with your CQG demo username and password that should be used instead of a live account during your 14 day trial period. If you don’t see this email check you spam folders.

You should enter the demo account username and password under “Price” and “Execution” sections highlighted in red. After the initial setup the platform will automatically use this information to try and login to the live account when you open the platform.

Demo Login Credentials

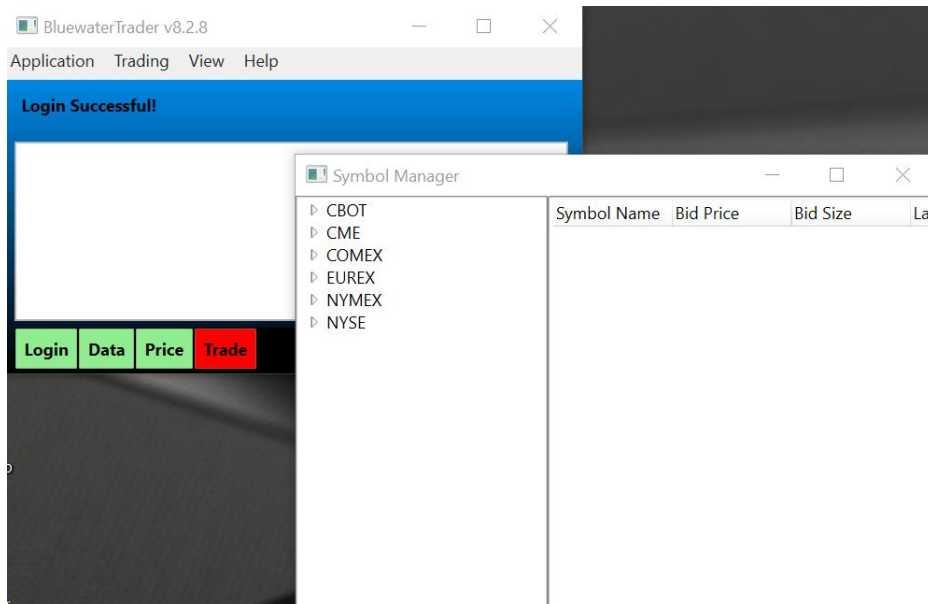

Thank you for your interest in Bluewater Trading Solutions trading platform integrated with CQG!

This message contains the information that you will need in order to test drive the platform.

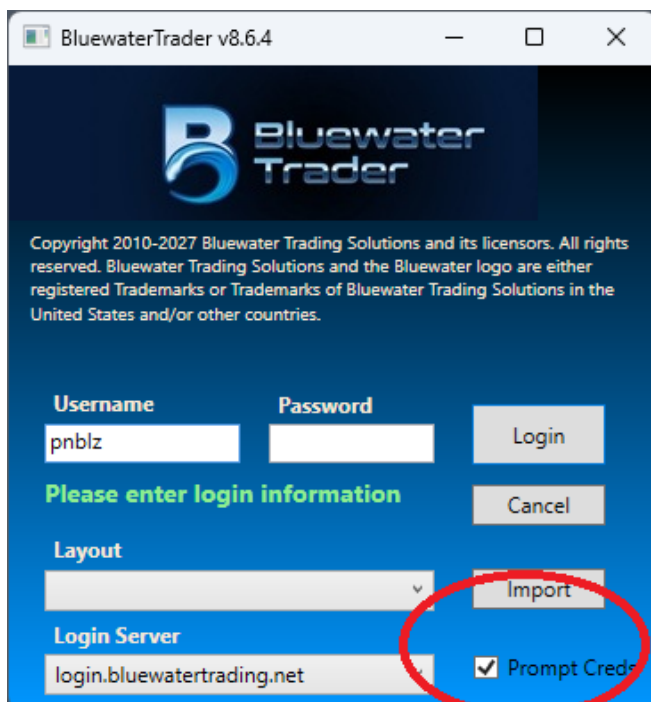

Here is your logon information:

Username: demo896550
Password: 7!ce!FP3
(username & password are case sensitive)

On successful login you should see the following appear and you are now ready to start using the platform.

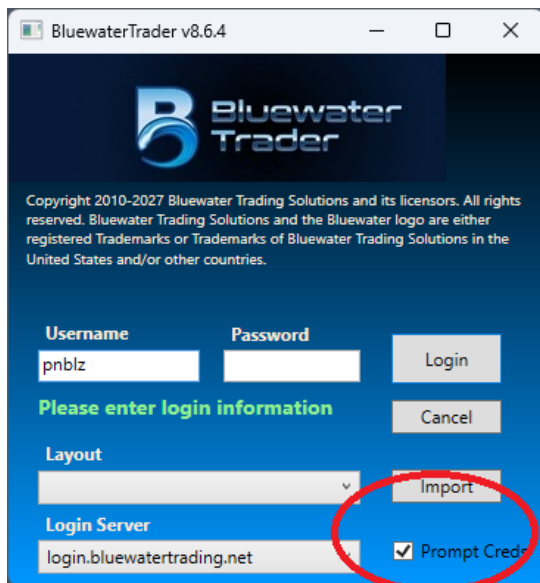

If the initial attempt to enter your demo credentials failed and you need to update the username and password you need to re-login with the “Prompt Creds” checked to force the “Credentials” screen to appear, so you can update the info, before the platform tries to use it.

End of Trial period

Finally if you decide to continue with the platform after the trial period has expired you need to email support@bluewatertradingsolutions.com with that request and what backend your live account is setup on so we can re-point the platform.

Once your Bluewater username has been re-pointed to a live backend you need to update the live account login information by checking “Prompt Creds” before you login and then updating the username and password under the “Price” and “Execution” sections with your live account credentials.
